Personal and Social Development (PSD) project

Below are some challenges for you to complete at home. All the challenges are linked to your ASDAN PSD qualification. Have fun, enjoy the activities and try your best!

Challenge 1a: Think before you throw something in the bin! Collect data on the number of items that are recycled in your house each day. Make a tally chart of these items over a few days.

Challenge 1b: Once you have completed your tally chart, make a bar chart of your results.

Challenge 1c: Reduce, reuse, recycle! Reuse some of the recycling that you have in your house to create something new! The best idea will win a PRIZE! 😊 Look at some of the ideas to get you started.

Challenge 2a: Using the internet, newspapers, etc research about a job are interested in. Look for the skills and qualities needed for that job and write what you have found on the record sheet. See what skills and qualities you have that match the job description.

Challenge 2b: Write a letter to an employer telling them why you think you would be a good employee for the job chosen in Challenge 2a.

Challenge 3: Hazardous home! Take a walk around your home and look for possible hazards. Record your findings on the sheets we have given you. You can draw a room and circle the hazards or fill in a table of hazards that you have seen, or both!
Challenge 1: Create a tally chart

Use the information given to you to create a tally and bar chart.

<table>
<thead>
<tr>
<th>Recycled item</th>
<th>Tally</th>
<th>Frequency</th>
</tr>
</thead>
<tbody>
<tr>
<td>e.g. metal cans</td>
<td>![Tally]</td>
<td>6</td>
</tr>
<tr>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>Total</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

Now think of 3 questions you could ask about the results.

1. __________________________________________________________

2. __________________________________________________________

3. __________________________________________________________
Challenge 1b: Create a bar chart of your results

A bar chart to show__________________________________________________________

Challenge 1c: Reduce, reuse, recycle! Reuse some of the recycling that you have in your house to create something new!
The best idea will win a PRIZE! 😊 Look at some of the ideas to get you started.

Now it’s your turn. Use some of the ideas above or some your own!

Challenge 2a: Research a job you are interested in.
What job you are interested in? ______________________________

What skills and qualities are listed for this job? Write them down in the table below.

<table>
<thead>
<tr>
<th>Skills</th>
<th>Qualities</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td></td>
</tr>
<tr>
<td></td>
<td></td>
</tr>
<tr>
<td></td>
<td></td>
</tr>
<tr>
<td></td>
<td></td>
</tr>
<tr>
<td></td>
<td></td>
</tr>
</tbody>
</table>

Highlight or draw a circle around the skills and qualities that you have.

What skills or qualities do you need to improve for this job?
